KRISHNA

+91 8930095621 , EMAIL:RAM620155@GMAIL.COM

Objective

I am a dedicated BCA student, my passion for technology and programming.I want to bridge the gap between theory and practice. I am eager to apply my strong foundation in computer science principles to real-world , seeking invaluable hands-on experience. My objective is to collaborate within dynamic teams, where I can not only contribute effectively but also absorb knowledge from experienced professionals. I am committed to continually refining my technical skills and making meaningful contributions to the tech industry..
